Thanksgiving Proclamation. The vigorous growth and progress of

he country as reflected by the records general conditions of international eace are things for which thanksgiving is especially due for the year 1910. according to the annual Thanksgiving lay proclamation issued by President Caft. The proclamation is as follows: "This year of 1910 is drawing to a lose The records of population and varyests which are the index of progess show vigorous national growth and the health and prosperous well eing of our communities throughout his land and in our possessions beand the seas. These blessings have neasure, but overflow and abound.

"We continue to be at peace with he rest of the world. In all essential matters our relations with other eople are harmonious, with an everrowing reality of friendliness and epth of recognition of mutual dependance. It is especcially to be need that during the past year great

rogress has been achieved in the cause of arbitration and the peaceful settlement of international dispute. "Now, therefore, I, William Howrd Taft, president of the United

States of America, in accordance with he wise custom first settlements in his land and with the rule establishfrom the foundation of this governnent do appeint Thursday, Nov. 24 1910, as a day of national thanksgiving nd prayer, enjoining the people on that day, to meet in their churches for the praise of Almighty God and to return heartfelt thanks to Him for all His goodness and loving kind-
